Summary

Experienced CDL Class A driver with recent long-haul reefer experience. Skilled in vehicle inspections, documentation, safety compliance, and maintaining DOT regulations.

Experience

Butler Transport, Class A Long-Haul Reefer Driver

Kansas City, Kansas
Dec 2025 – present

- Handled long-haul food grade delivery across multiple states, keeping a close eye on the reefer unit and temp settings to make sure the load stayed within specs.
- Kept the truck and trailer in top shape by staying on top of pre-trip and post-trip inspections.
- Maintained professional communication with dispatch and receivers to address delays and resolve any truck or trailer issues.
- Stayed compliant with ELD logs and clock management, making sure deliveries were on time even with tight schedules or warehouse delays.

Raptor Power Systems, Quality & Test Technician

Champaign, Illinois
June 2019 – Jan 2025

- Wrote clear step-by-step instructions for testing Power Distribution Units (PDUs) before shipping them out.
- Created and followed safety checklists for PDUs, making sure each unit worked correctly and safely.
- Wrote easy-to-read manuals that helped technicians understand and fix power equipment in the field.
- Kept detailed records of all equipment tests and inspections to meet safety requirements.
- Microsoft Office Word, Excel, Google Docs, Google Sheets, Gmail.

Southern Illinois University, Concession Supervisor

Carbondale, Illinois
Aug 2018 – May 2019

- Supervised during big sports events, making sure everything ran on time.
- Prepared and stocked concession stands before events to serve large crowds.
- Trained new employees on tasks, safety, and cash handling.
- Managed inventory and restocked supplies to prevent shortages during peak times.
- Enforced sanitation and food-safety rules and performed post-event cleanups and checks.
- Handled cash and card payments and balanced the register at shift end.

Sodexo, Concession Assistant/Worker

Champaign, Illinois
Aug 2015 – Aug 2018

- Working in the concession industry at University of Illinois sporting events, including football, basketball, and many other sports.
- Ensuring that concession stands are fully prepared before, during, and after the event.
- Managed inventory and restocked supplies to avoid shortages during peak periods.
- Work in a fast paced work environment, especially during sporting events.
- Making sure employees working the stands have the essential material needed to function, if not provide assistance.
- Making sure the stands are in sanitary conditions.

Education
